

PRESENTS

GLIDE

AT BATTERSEA POWER STATION

SITE DESCRIPTION

UK weather can be changeable - rain, warm temperatures and strong winds can make the surface of the ice wet. The Ice Rink is prepared for changing weather conditions, and please be assured that wet ice is safe to skate on and our experienced operational team are consistently monitoring the ice. Please check for any weather warnings on the day of your booking and, if in doubt, bring waterproof clothing.

Please see below image of the terrain across the site. If you find queuing difficult and require a faster entry to the event upon arrival with your PA, please make yourself known to a steward at the gate who will be able to look at the possibility of fast tracking your entry.

Please note that there are bag searches in operation at all our entrances.

WHAT IS THE TERRAIN LIKE?

LIGHTING

Whilst there is no strobe lighting along the ice rink, some of the festive lights may include pulsating or flashing.

BATTERSEA POWER STATION ALSO PROVIDE ACCESSIBILITY SERVICES

You can view them directly [here](#) on their website. The Guest Services desks are located just inside the North Entrance (Upper Ground Floor) and South Entrance (Ground Floor) of the Power Station. We have outlined the key points below:

- Accessible Toilets

Accessible toilets are located throughout the Power Station and require a RADAR key for entry. For guests who do not have their own RADAR key, please contact the staff at the Guest Services desk or call 020 8176 6500 and a team member will come and unlock the stall for you.

Battersea Power Station also has an accessible toilet, ensuring accessible facilities for all passengers and making travel easier for those with mobility needs.

- Blue Badge Parking

There is a total of 45 Disabled parking spaces available in the Circus West Village and the Electric Boulevard car parks – these spaces are available specifically for use by Blue Badge holders. These spaces are not bookable in advance and are charged at standard rates.

- British Sign Language (BSL) Interpreting

The Guest Services team at Battersea Power station offers instant access to live BSL interpreting through CONVO. This service enables seamless, real-time communication between the staff and Deaf or hard-of-hearing guests, making it easier to ask questions, get assistance, and enjoy a fully inclusive experience.

- Changing Places

The Changing Places facility is located on the ground floor, north side next to a shop called Swatch and is accessible using a RADAR key. If you do not have your own RADAR key, please ask a member of the staff at the Guest Services desk or call 020 8176 6500 and a team member will come and unlock the stall for you.

- Electric Scooters & Wheelchair Hire

Mobility scooters and manual wheelchairs are available for hire. Please click [here](#) for the booking process and please click [here](#) for their standard terms and conditions.

Mobility equipment is available during operational hours only.

- Elevators

The Power Station includes multiple accessibility-focused elevators with internal dimensions of 250cm depth by 150cm width and a clear door opening of 110cm. The lift provides adequate turning space to support wheelchair users and individuals using mobility aids, ensuring safe and inclusive vertical access throughout the building.

- Hearing loops

The Guest Services desk is equipped with hearing loops to ensure clear communication for visitors with hearing aids or cochlear implants. These systems provide enhanced audio clarity by transmitting sound directly to compatible devices, making it easier for guests to engage with staff and access important information.

- Hidden Disabilities Sunflower Scheme

We recognise the hidden disabilities sunflower as a way of you voluntarily sharing that you may need a helping hand, understanding, or more time. Sunflower lanyards are available from the Guest Services team,

- Recite me

We now provide an inclusive online experience to enable website visitors to access online content and services barrier-free. The Recite Me assistive toolbar on this website includes screen reading functionality, multiple reading aids, customisable styling options, and an on-demand live translation feature that boots over 100 languages including 65 text-to-speech and styling options.

- Sensory Back Packs

Sensory Backpacks are available to hire for free from the Guest Services Desks; these backpacks contain over-ear headphones, sunglasses, fidget toys and communication cards.

- Visually Impaired Assistance

As part of the access services provided by the Guest Services Team at Battersea Power Station Companion Canes are available ahead of your visit

- WelcoMe

The WelcoMe app enables you to notify us of your visit and of any additional support you may need, helping to make your visit more predictable. WelcoMe is free to use and is available for download from your app store.

ADDITIONAL SERVICES PROVIDED BY BATTERSEA POWER STATION.

- Prayer Room

The prayer room is located on the ground floor, north side through the corridor adjacent to the Waterstones in Turbine Hall B.

- Baby Changing and Family Room

Baby changing areas are conveniently located throughout the Power Station for your ease and comfort. Their dedicated Family Rooms are situated on Level 1 of Turbine Hall B (North Side)

Baby changing facilities are also available within both male and female toilet blocks. If you need assistance finding the nearest facility, please don't hesitate to approach a member of the Guest Services team.
